	- Anno	ouncement from the adv	isory board, concerns on splitting the audience.				
3. Mi		n previous meeting					
	 Roadburn is NOT moving, we are expanding. If Roadburn expands, Rotterdam would be preferable because of the (international) travel accessibility. Concerns were shared on safety and logistics regarding new locations. Relevance of trends and developments to attract a younger target group were briefly discussed, more research is needed. Ideas were shared on when the festival in Rotterdam should take place.
